

TAE50111 Diploma of Vocational Education and Training Assessment Task

Assessment Tool Review

This assessment task is related to the cluster Design and Development advisory and is used to reflect upon the unit:

- TAEASS502B Design and Develop Assessment Tools.

You must provide evidence of your ability to develop, trial and review **three (3) assessment tools** that address at least **three (3) different AQF levels**. Each assessment tool must reflect a **different assessment method**.

For each of the three (3) assessment tools you must provide separate reports that cover:

- Background Information
 - name of the qualification and unit of competency
 - how the contextual needs of different environments where meet
 - how the Principles of Assessment and the Rules of Evidence were met
- Assessment Tools
 - assessment instrument
 - instructions to assessor/s and candidates
 - assessment matrix
 - marking guide
- Report of the conducting of the trial
- Review of the assessment tools, including proposed changes.

The table below may help you in planning:
