

TAE50111 Diploma of Vocational Education and Training

Assessment Task

Designing and creating Resources

This assessment task is related to the cluster Design and Development advisory and is used to reflect upon the unit:

TAEDES502A Design and Develop Learning Resources

Design of First Resource

1. Complete design for first resource. Included in the design should be the following in sequential order:
 - Identify Unit of Work (Unit of Competency)
 - Headings
 - Sub-headings
 - One heading for an activity
 - Headers, footers and style guide.

Design of Second and different Resource

2. Complete design for **second** and different resource. This design will contain more information. Included in the design should be the following in sequential order:
 - Identify Unit of Work (Unit of Competency)
 - Headings and information
 - Sub-headings and information
 - Tasks/Activities to be completed based on information
 - Headers, footers and style guide.

Full Development of Second Resource

3. Complete full development of second resource. Present this resource in a print-based format. Include documented evidence of the following:
 - Your role in the development process
 - Learners' needs
 - Context of how the resource would be used
 - Trial of resource
 - Learner feedback – you **MUST** provide raw data from the learners
 - A review of the resource incorporating
 - a) An analysis of the feedback from the learners
 - b) What changes you made to the resource following the trial.

The report is to be submitted electronically with an assessment cover sheet to your mentor on or before Workshop 10. The answers require intensive research, reading, analysis and critical response (at least 1-2 A4 pages in total).

Your mentor/facilitator will provide feedback within 15 working days from submission of your assessment.
